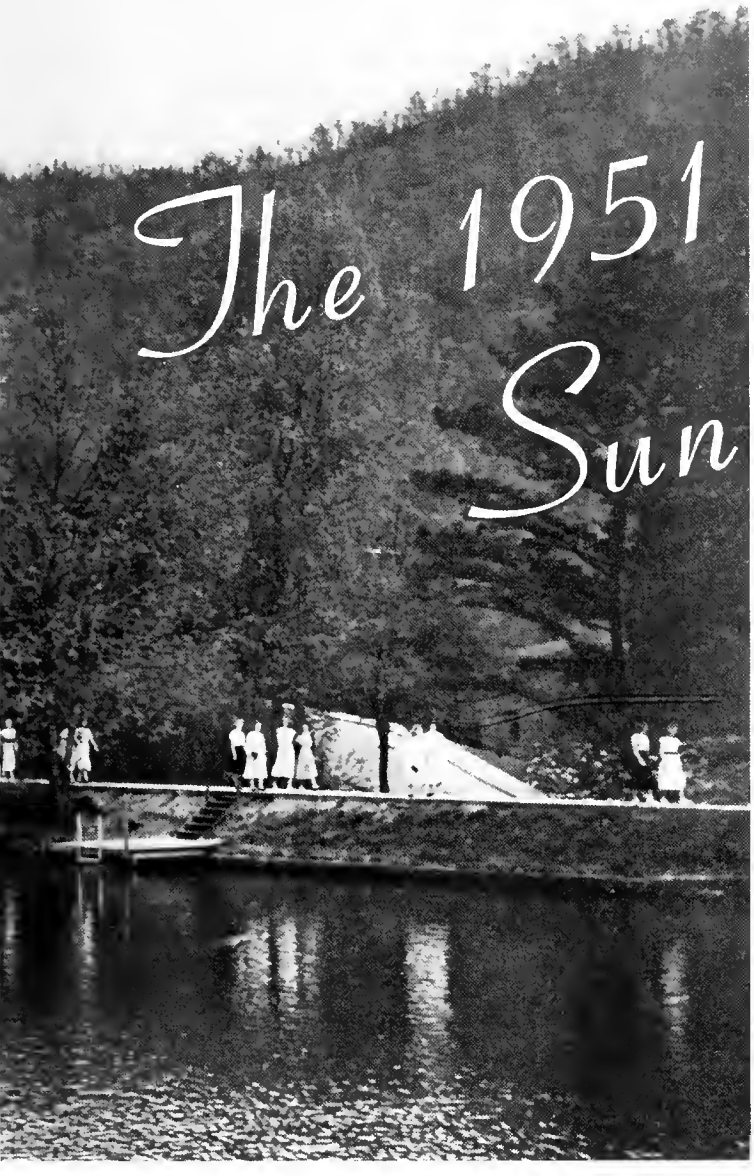
Present



The 1951 Sun Dial

MONTREAT days are rich, busy days, crowded with study, work, and play—brightened by joys, softened by a few tears, hallowed with spiritual depth.

We have captured some of "the hours that shine" and have recorded them in these pages for you to re-live and enjoy. As you smile at some remembered face, sigh over a familiar scene, or laugh when you are reminded of some hilarious escapade, may all of the Montreat memories rush back, for these experiences are the things of which character is made.

Dedication

. . . Because they express genuine interest and friendliness toward every student

. . . Because they are combining successfully the responsibilities of mental, physical and Christian development

. . . Because of their unfailing loyalty and devotion to Montreat.

We Dedicate the 1951 Sun Dial to

Doctor Nettie Grier and Miss Lucy Grier

Staff of Student Publications

The Staff of Student Publications has a two-fold job—to publish a student newspaper, the *Dialette,* and a yearbook, the *Sun Dial.* Through the *Dialette* the staff seeks to keep the students informed about important happenings and to present other features for their enjoyment. In the *Sun Dial* memories of a wonderful year at Montreat are recorded through words and pictures. In these two publications the Staff carries out its motto, "We only count the hours that shine."

MONTREAT SCHOOL FOR GIRLS

To help each student grow in Christian character, to prepare each student for a full, useful, mature life, to build a firm foundation in each mind for further education—these are the purposes of Montreat School.

The School, under the auspices of four principal student organizations—Cabinet, Council, Staff and Board—sponsors prayer groups, "sings," musical entertainments, the LOOKOUT, and various sports which help the student grow spiritually mentally, physically and socially.
